MINUTES OF AN EXECUTIVE SESSION OF THE INDEPENDENT TRUSTEES OF THE BOARD OF TRUSTEES OF BURNHAM INVESTORS TRUST

August 21, 2014

An executive session of the trustees (the "Independent Trustees") who are not "interested persons," as such term is defined in the Investment Company Act of 1940, as amended (the "1940 Act"), of the Board of Trustees (the "Board") of Burnham Investors Trust (the "Trust") was convened following the full meeting of the Board on the 21st of August 2014. The following Trustees participated in person:

William F. Connell  
Margaret M. Eisen  
Bruce Mac Corkindale

Also present, by invitation of the Independent Trustees, were: Devon Archer and Andrew Godfrey, BAM Holdings LLC; Jon M. Burnham (Chair), Interested Trustee; Pat A. Colletti, Chief Financial Officer, Chief Compliance Officer and Treasurer of the Trust; Mary C. Moynihan, Perkins Coie LLP, independent counsel to the Independent Trustees; and Michael P. Malloy, Drinker Biddle & Reath LLP, counsel to the Trust.

I. CALL TO ORDER

Ms. Eisen called the meeting to order and said that the meeting had been convened to consider and discuss the proposed acquisition of Burnham Asset Management, Inc. ("BAM") by an investor group that was expected to include Messrs. Archer and Godfrey (collectively, the "Acquirers"). She reminded the Independent Trustees that BAM was currently a wholly-owned subsidiary of Burnham Financial Group, Inc. ("BFG"), which also wholly-owned Burnham Securities, Inc. ("BSI"), a registered broker-dealer. Ms. Eisen stated that Mr. Archer and Mr. Godfrey were present at the meeting to respond in person to questions and concerns of the Independent Trustees.

II. PRESENTATION ON PROPOSED ACQUISITION

Ms. Eisen commenced the discussion by reference to the letter dated July 31, 2014 of the Independent Trustees to the Acquirers. She noted that the Independent Trustees had hoped to receive a response to the letter prior to the meeting. Mr. Archer stated that a written response had been prepared but that he had wanted to come to the meeting to discuss the response because of his view that information can be lost in letters exchanged through counsel. He stated his desire to talk through all of the open issues to avoid misconceptions. In response to a question, Mr. Archer stated that he believed the main misconception was that Mr. Jason Sugarman and certain of his associates (the "Sugarman Parties") would be channeling influence and control over him. He stated that he wished to be unequivocal that Mr. Sugarman did not control or influence him.

## Hunter Biden Admits Laptop at Center of Scandal Could Be His

When Joe texted him a typically doting message 'Good morning my beautiful son. I miss you and love you. Dad' on February 24 that year, Hunter raged at his father for 'having made clear to the world that the only reason for not [running for president is your] family problems im glad to be the f\*\*\*ing bullseye you painted on my back'

## EXCLUSIVE: What WASN'T in Hunter Biden's book: How he got unauthorized Secret Service protection, begged Joe to run for WH to salvage his own reputation and made porn films with prostitutes. Forensic experts prove laptop IS President's son's

By Josh Boswell For Dailymail.com  
Updated at 2:23 PM on 8 April 2021

- Hunter Biden released his 'tell-all' memoir Beautiful Things on Tuesday, but left out shocking details
- DailyMail.com can reveal those secrets after contents of his abandoned laptop - including a cache of 103,000 text messages, 154,000 emails, more than 2,000 photos - were verified by top forensics experts
- Hunter left his MacBook Pro laptop at a Wilmington, Delaware computer repair shop in April 2019 and never returned for it
- In texts from 2019, Hunter begged his father to run for president to salvage Hunter's own reputation
- Hunter repeatedly dodged police action against him, despite constantly dealing with drug dealers and prostitutes and having multiple run-ins with the law
- The president's son was guarded by a Secret Service agent while on a 2018 drug and prostitute binge in Hollywood, despite not being entitled to protection at the time
- Hunter appeared to be obsessed with making porn films with prostitutes, videos and photos on his laptop show
- Texts also show Joe Biden was afraid his conversations with Hunter were being hacked even as they discussed his White House bid

Hunter Biden's 'tell-all' autobiography promised the unvarnished story of his struggles with drugs, family turmoil and his controversial love life.

### Thread

I'm not telling you you have to go 30 days, read the text. I said if you need support (that I can't provide you but you are begging me for) then you should be in a place that has support

why isn't the idea of being slobber together appealing to you - why every time do you make a new way token me away

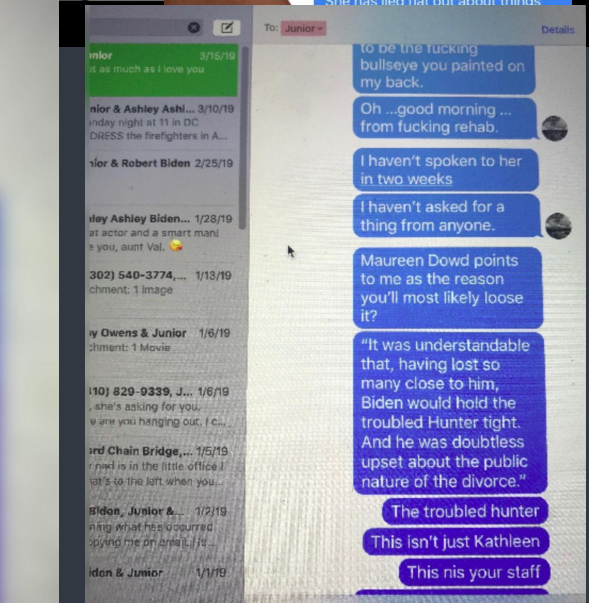

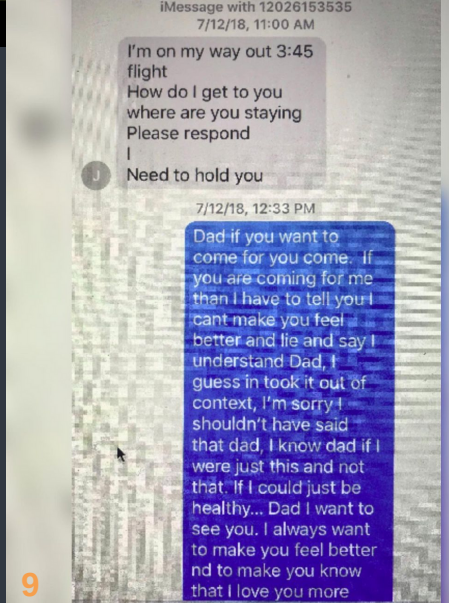

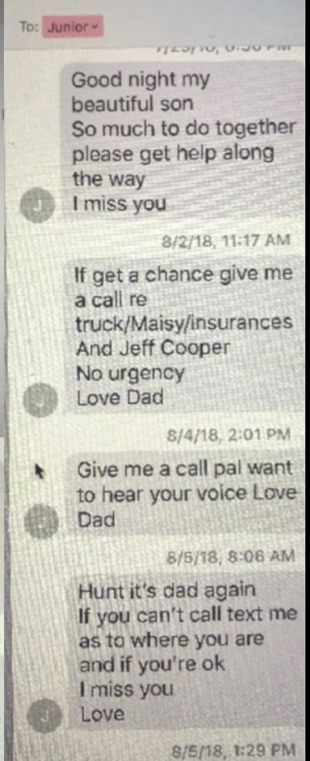

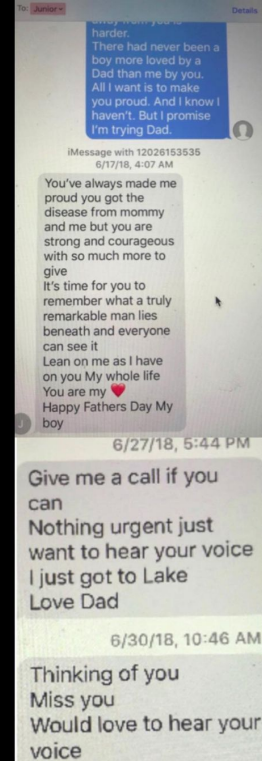

oh hallie I get it. You think nthat the support I need from a woman that I call my partner and best friend will be best found in inpatient rehab. That simply asking you to keep m3e abreast of the lives of the people I love and and being proud and attracted to me is the kind of support you cant handle

Hallie go ahead and talk to him but only with me present — the last time I let you speak to my therapist you told them I was sexually inappropriate with Natalie—I told Keith about that also and he said and you did not immediately go on of the relationship—that's a line that if you cross and the consequence is you are labeled a child molester - thats a line brighter than throwing my gun in a full trash can in a busy grocery store and

her privacy going through photos and phone bills etc... she forgets that she was the first to do that - I had no secrets and when she found a picture of Briana a woman I introduced her to the same moment I first met her over the phone and I've never when confronted lied to her about anyone. She has more photos of screen shots of my phone in her photos than anything else. She has promised me that if I came home she would stop and the moment I fall asleep she has taken my keys and phones and gone through everything. She has secret photo vaults disguised as other apps on her phone and text apps meant for people in affairs. She stole the gun out of my truck lock box and threw in a garbage can full to the top at Jansens. Then told me it was my problem to deal with. Then when the police the FBI the secret service came on the scene she said she took it from me because she was scared I would harm myself due to my drug and alcohol problem and our volatile relationship and that she was afraid for the kids.

Really not joking the cop kept me convinced that Hallie was implying she was scared of me. I told her about everything I did or have done she insists she has done nothing even in the face of receipts and phone records and location history's. She has lied flat out about things

Delaware Republican senate candidate Lauren Witzke has alleged that a source close to the investigation into Hunter Biden's laptop has informed her that there are images of Senator Chris Coons' daughter, in addition to seven other underage girls. Coons' daughter, Maggie Coons, was infamously photographed being handled inappropriately by Joe Biden in 2015. His conduct towards her was widely criticized by the mainstream media at the time, particularly because he whispered into her ear and kissed her on the head as she looked terribly uncomfortable.
